

Greetings Pastor,

This is our personal invitation to **YOU**. We would be honored to have **YOU** attend the **Regional Advisory Council of IgniteUS Ministries** being hosted in your area. If you have not received information about this please contact us (info@igniteus.net) and we will get that data to you. Our ministry focus is the church in America. Our Staff is comprised of men who are Pastors and who have applied in local church ministry the principles we teach. They are your peers and truly understand the challenge and difficulty of bringing genuine **Transformation** to a local assembly. Many ‘pundits’ have written off the local church (Barna, *Pagan Christianity*). We have a different and encouraging perspective. You will be very glad you came!

Preparation – in preparation for this event we ask you to:

- **PRAY** – for the church in America and for the church you pastor.
- **INVITE** – fellow pastors in your sphere of influence to attend with you.
- **VIEW** – the videos posted on the left column of our Home Page - - ‘Video Downloads’.
- **REFLECT** – is ministry where you serve accomplishing what God requires (Col. 1:28-29).
- **ATTEND** – you will be richly rewarded and encouraged by what you receive.

Issues – we will address the following topics of great importance for local church ministry:

- **CURRENT REALITY** – what is the condition of the church in America?
- **METRICS** – what do most churches measure - - what should they measure? How?
- **EFFECTIVENESS** – is there a Biblical Process to get from “Current Reality” to Effectiveness?
- **TRANSFORMATION** – can we measure **Transformation objectively**; individuals & the body?
- **RESOURCES** – are there tools and a pathway to accomplish change & live to tell the story?
- **COURAGE** – what is the difference between biblical courage and simple stubborn persistence?
- **JOY** – can ministry be a source of deep legitimate joy even in today’s post-modern world?
- **HOPE** – can you find genuine well founded hope for the future of the local church in America?

Benefits – you will depart with the following benefits for your participation:

- **INFORMED** – you will depart knowing the ‘true condition’ of the church and the ‘why’.
- **ENCOURAGED** – you will have hope and a circle of pastors who share your vision.
- **EQUIPPED** – you will depart with a clear pathway that leads to Renewal & Reformation.
- **CONFIDENT** – you will depart with the confidence that God will use **YOU** to bring Transformation.

Summary – for those who attend and desire to participate with IgniteUS we will:

1. Offer a **Generous Discount** on our pricing making the process very affordable.
2. Offer the opportunity to participate in a **Transformation Cluster** with other pastors & churches seeking Transformation.
3. Offer the opportunity to serve on our **Advisory Council** meeting face to face once a year.
4. Offer the opportunity for those who show excellence to serve as a **Transformation Coach** for other pastors.
5. Offer the tools that equip you to produce consistent objective measureable **Transformation** in the lives of the individual people you lead and love, and in the body of Christ as a whole.

I often say that there is **ONLY** but **ALWAYS** a faithful remnant of hardy souls who genuinely desire obedience to all that Jesus commanded. We genuinely believe that is you pastor. Join us and other pastors in your area for a morning of **Renewal, Rekindling and Reformation** in ministry. You will be eternally thankful that you made this investment. As Pastors we will stand before Him to give an account and we all desire that accounting to be a great Joy (Heb. 13:17). It is our privilege and joy to offer you the resources to make that a reality. We look forward to meeting you personally very soon. **THANKS** for accepting our invitation to effective ministry!

In Grace
Tom Fillinger
